

Adding groups

MATH READING PACK / PAGE 1 OF 2

$$3 + 2 = 5$$

Count 3 blue dots and 2 green dots. There are 5 altogether.

$$2 + 4 = 6$$

Joining 2 dots and 4 dots makes a group of 6.

Taking away

MATH READING PACK / PAGE 2 OF 2

Start with 5 dots. Take away 2.

$$5 - 2 = 3$$

3 dots are left. Subtraction means taking away.
